U.S. Patent and Trademark Office
Customer Service Window, Mail Stop Petition
Randolph Building
401 Dulany Street
Alexandria, VA 22314

Dear Sir,

This is a petition for the acceptance of inventors' names change in relation to the above-identified application.

As indicated in each attached Declaration of the inventor, the inventors' names "Andre Yu", "Jeffery Chang", and "Bill Huang" displayed on the previously executed application documents are unofficial English names, while the legal and correct transliterations of the joint inventors' names are "Yu, Chung-Che", "Chang, Bor-Yuh", and "Huang, Shih-Chung". Such errors which occur without deceptive intent by the inventors may be corrected under 37 CFR 1.182.

Enclosed herewith are copies of Declaration signed by each inventor stating the above, and a newly executed Oath and Declaration signed by all inventors of the subject application to give their consent to the requested correction.

The Commissioner is authorized to charge required fee USD\$130 set forth in 37 CFR 1.17(h) and any other fees required in connection with the filing of this paper to account No. 50-2620 (Order No.: 11987-US-PA).

In addition, a Statement from the assignee indicating the agreement of the changes is also enclosed herewith.
